## GREETING

Ours is a world of light and darkness, of joy and sorrow, of hope and despair. Nevertheless, it is our world—woman's world—and to us is sounded the clarion call of duty mingled with the sweet strains of love. Ours is the privilege to share the blessings, perpetuate the triumphs, and enjoy the glories of the light; ours is the duty to hearken to the cries, calm the sobs, and stifle the shouts of the darkness.

The real aim of the club movement is the widening of opportunity, the opening of the doors of the soul to the responsibilities of life, and the awakening of our better selves to the needs and kinship of our fellowmen. The welfare of the home and community rests largely with its women. It is for them to promote only those things which will bring the greatest blessings to humanity.

As individuals we can do little. As a co-operative unit we may do much. The success of the coming year rests not with any one individual. We must have unity of purpose and harmony of action. If we are to succeed we must bring to the work, strong hearts, willing hands, and broad minds.

May we labor together with malice toward none, with love toward all. May no service or sacrifice be counted too great which aids in the uplift of mankind or the perpetuation of the bonds of friendship and love. May it ever be said of each of us, "Where ever you are life shall be made a little brighter and dull, tired faces shall be made to smile".

Very sincerely,

MRS. FRANK L. FRAILEY.

## **GENERAL CLUB MEETINGS**

Life is a bubble which any breath may dissolve; wealth or power a snow-flake, melting momentarily into the treacherous deep across whose waves we are floated on to our unseen destiny: but to have lived so that one less orphan is called to choose between starvation and infamy; to have lived so that some eyes of those whom fame shall never know are brightened and others suffused at the name of the beloved one,—so that the few who knew him truly shall recognize him as a bright, warm, cheering presence which was here for a season and left the world no worse for his stay in it, this surely is to have really lived,—and not wholly in vain.

Review of club year

Entertainment and Social Committees in charge, Mrs. W. T. Holmes, and Mrs. Rose Haines, Chairmen

There are two things incumbent upon every woman who joins a club;—recognition of duty and truth, and a right spirit in the treatment of club affairs.

“Be a woman—brightest model  
Of that high and perfect beauty,  
Where the mind, and soul, and body  
Blend to work out life’s great duty—  
Be a woman—naught is higher  
On the gilded list of fame;  
On the catalogue of virtue  
There’s no brighter, holier name.

“Be a woman—on to duty,  
Raise the world from all that’s low,  
Place high in the social heaven  
Virtue’s fair and radiant bow!  
Lend thy influence to each effort  
That shall raise our nature’s, human;  
Be not fashion’s gilded lady,  
Be a brave, whole-souled, true woman.”

## *Of the Woman's Club of Champaign and Urbana for 1914-1915*

By Luella M. Saffer

We have reached another milestone. Another year's work, with its many achievements, has been completed. The Woman's Club has reached its nineteenth year. Its membership, individually and collectively, shows an increase in strength and disposition toward community work, which is its large aim.

The work of the past year has been characterized by some changes from the previous years. We have had a "Club Home," where our members have felt free to go at any time. We have felt more freedom in our meetings and a feeling exists that each has an equal interest in our new possessions. Most of the department meetings have been held in the Club Rooms, and a general interest of all club members has centered about "Hughes Hall." The usual contributions have been made to the Charities Organization, the Anti-Tuberculosis Health League, the Burnham Hospital, the Dorcas Society and the Cunningham Home. A large amount of good, in special ways, has been accomplished. Early in the fall, we embraced the opportunity of sending a large donation on the Christmas Ship, to our less fortunate brothers and sisters across the sea, who have suffered from the ravages of war. At Christmas time our own unfortunate were most carefully and thoughtfully provided for thru the efforts of our ladies. A municipal Christmas tree was provided for each city, so no child was obliged to pass this joyful season of the year without enjoying the pleasures that others, more fortunate, always enjoy. The interest of citizens and business men was aroused and as a result no child went away empty handed. Very much of good food and comfortable clothing was thus dispensed among deserving people. At the same time, many members busied them-

selves, and interested others in the sale of Red Cross Seals and thus added a large sum to the treasury of the Anti-Tuberculosis Health League. Our never ending interest in the teaching of patriotism to our youth was shown by the presentation of a bust of Abraham Lincoln to each of four schools in our midst. One each to the new High School of the two cities, one to the parochial school and one to the children at the Cunningham Home.

The work of the departments has been especially strong and much good has resulted. The Literature and Art Department has had alternate programs on Art, and the original contributions to the Club Magazine. In the Household Economic Department, many demonstrations were given by members. Other subjects of general interest, such as the Suffrage question, yard decoration and Christmas and Thanksgiving suggestions, were discussed.

The department of Music and Drama had a very interesting and instructive study of music from the different nations. A concert of much interest was given by Mr. Edward Baxter Perry and Prof. Erb, from the School of Music of the University of Illinois, gave a most instructive address on the "Appreciation of Our American Artists in Music."

The Civics and Educational Department combined two new ideas: the use of school buildings as social centers and the carrying of needed instruction to those outside the Club, and as a result much definite good, which can never be estimated, was accomplished.

In co-operation with the State Food Commissioners, some very interesting and beneficial stereopticon addresses were given in each town, which met with the hearty approval of our local Pure Food Organizations. Thru this department our citizens have been shown, by illustrated talks from representatives of the Floricultural Department of the University of Illinois, the possibilities of lawn decorations and a strong interest aroused to continue the "City Beautiful" idea. In April a very general "Fly" campaign was conducted and the possibilities of entirely extinguishing flies shown to interested citizens.

On the whole, the Club has had a very busy and a very profitable year. While the real community work has occupied most of our time, yet the social side has not been neglected. The

social hour at each meeting, together with two elegant luncheons, have served to lighten our heavier duties and brought us together in ways by which friendships have been strengthened and we have been made more anxious to assume the graver duties of life. The luncheon of the General Club at the University Place Church, and the Domestic Science luncheon, were each very enjoyable affairs, in which all plans were carefully laid and executed.

The Woman's Club is now recognized as a center from which radiates many home interests. Its membership is composed of representative women of the Twin-Cities, and it is looked to as a medium thru which most other organizations accomplish their work.

Our hearts have been saddened and gladdened during the year by circumstances, which have governed the lives of our members. The Messenger has visited some of us, while on the other hand, three homes have been gladdened by the advent of dear little ones. To Mrs. H. C. Babb was born a son, to Mrs. Stinespring a daughter and to Mrs. F. C. Hubbard twins, a son and daughter, the daughter being called within a few days.

Cupid returned to our ranks after a long absence, and two of our daughters, Miss Edna Myers and Miss Bessie McMillen, entered into new relations and two more sacred homes were established.

In the coming year, may we continue the various enterprises of the past, and seek to find and execute new ideas and plans.

"Weep not that their toil is over;  
Weep not that their race is run.  
God grant that we may rest as comely  
When our work, like theirs, is done.

Tell them we would yield with gladness  
Our treasures to Him to keep,  
And rejoice in the sweet assurance  
He giveth His loved ones sleep."

Official Song of Illinois Federation of Women's Clubs

## ILLINOIS

By thy rivers, gently flowing, Illinois, Illinois,  
O'er thy prairies verdant growing, Illinois, Illinois,  
Comes an echo on the breeze,  
Rustling thro' thy leafy trees,  
And its mellow tones are these, Illinois, Illinois  
And its mellow tones are these, Illinois.

Pride of all thy sons and daughters, Illinois, Illinois,  
By thy peopled inland waters, Illinois, Illinois,  
Fair Chicago, great and grand,  
Wealth and progress on each hand,  
Welcome gives to every land, Illinois, Illinois  
Welcome gives to every land, Illinois.

Thou did'st hear thy country calling, Illinois, Illinois,  
'Mid the din of war appalling, Illinois, Illinois,  
Then thy courage and thy will  
Rose each heart to fire and thrill;  
Brave and loyal thou art still, Illinois, Illinois,  
Brave and loyal thou art still, Illinois.

While thy Lincoln's fame is cherished, Illinois, Illinois,  
Till thy Logan's name has perished, Illinois, Illinois,  
While thy Grant shall honored be  
Thro' our nation grand and free,  
We shall love and honor thee, Illinois, Illinois,  
We shall love and honor thee, Illinois.

While the glory we are singing, Illinois, Illinois,  
Loyal homage to thee bringing, Illinois, Illinois,  
Let us praise His holy name  
Thro' whose might all good we claim,  
Who has wrought thy wondrous fame, Illinois, Illinois,  
Who has wrought thy wondrous fame, Illinois, Illinois.
